The final weeks of Britain's fattest man are to be revealed in a documentary filmed shortly before he died - showing how he spent £22,000 on takeaways in six years.

Carl Thompson, who weighed 65 stone when he died aged 33, was found dead at his flat in

Dover, Kent last month after binge-eating for years following the death of his mother.

He agreed to talk about his struggle with obesity as part of Channel 5's six-part Supersized season - but died just weeks after filming had finished.
